In His Highness' order dated 6th March 1905 the proposal of the Mandya Municipal Board to levy octroi duty on certain articles was sanctioned

The levy of a duty on chunam at one anna per cart load was then sanctioned, but since chunam is generally brought into the town for sale in baskets and not in carts, the Municipal Board of Mandya has resolved that a duty of 3 pies per basket may be levied on chunam when brought in baskets The Board has also resolved that a duty may be levied on kerosine oil imported into the Town The President of Municipalities supports both these proposals and recommends that the duty on kerosine oil may be fixed at one anna per tin.

Both the Councillors approve of the proposals, which may be sanctioned
